**“RFID Connecting the World” Charity**

RosettaNet Malaysia and PentaMaster Corporation believes in the “RFID Connecting the World Charity”. It is about making a real difference. Our goal is to create goodwill towards the RFID Industry and to help children enjoy their life. These children will be given a second chance in life with our helping hand.

We are trying to raise USD\$50,000 in donations for the RFID Industry’s first charity. We hope you will either register for one of the training classes held in November. You may also elect to make a direct contribution to the Smile Train at this website (<http://americanrfidsolutions.com/charity/> ).

**Give A Child With  
A Cleft, A Second  
Chance at Life.**

*Today, millions of children in developing countries are suffering with clefts. The good news is that virtually all of these children can be helped.*

**Donate Now!**

Every \$250 raised, a child receives free cleft surgery.

**Please donate for a cause that is bigger than any one industry or country.**
